NO SMOKING POLICY

Ottawa Community Housing (OCH) supports a smoke-free environment and is committed to promoting safe and healthy communities and working environments

OCH PROPERTIES ARE SMOKE FREE

The serious health hazards
of second-hand smoke
are well known

The majority of OCH tenants
choose not to smoke

On May 31, 2014, OCH
adopted a no-smoking policy
to create safe and
healthy communities

What does this mean to you?

When you sign a lease with OCH, you will agree not to smoke in your unit or anywhere on OCH property.

If you were a tenant prior to **May 31st, 2014** you will be able to continue to smoke in your leased premise, which means inside your unit, on your balcony, and your enclosed backyard (whether partial or full enclosure).

Most of OCH communities are not smoke-free yet. Over time, as tenants move out, every OCH community will become smoke-free.

	Smoking is no longer allowed in
	common areas
	hallways
	elevators
	lounges
	on any outdoor OCH property
	around units or buildings
	parking lots and driveways
	parks or playgrounds
	lawns
	gardens
